### **Committee Reports**

**Athletic Director:** (Tony Hemmelgarn)

Meet the team is November 28<sup>th</sup> 7pm. Winter sports reps please let your parent know to meet in the gym and plan for a parent meeting with the individual teams after.

**Treasurer:** (Mark Heggem)

There are 6 deposits from October that cannot be identified. Please help Mark so he knows who is making deposits by emailing him when making a deposit or by scanning the deposit slip and sending it to him. Please encourage winter sports families to get involved with Boosters. We have \$110,085 in our checking account with \$ 65,164 in custodial accounts. Our net income is \$18,854 compared to \$13,748 last year. Our annual donations are up 14 % and concessions are strong.

Discussions regarding PTA wanting to sell spirit wear from Sports Connection at the Book Store. Boosters agreed that it is ok for PTA to sell spirit wear at the bookstore

**Membership:** (Mark Jankowski)

Boosters 2<sup>nd</sup> Chance membership on now on the website. We have 262 members. All 2<sup>nd</sup> Chance members were emailed to let them know their packets are in the AD office. Most packets except the Gold packets are still in Tony's office. Please email your parents and encourage them to pick their packet up. Mark Jankowski will have a membership table at meet the team.

**Concessions:** (Joe Tillar)

Joe needs openers and closers for swimming and boys basketball. Concessions did not raise as much money this year as hoped. Although concessions were open for every event possible, there is a concern as to what we can do to boost revenue next year. On a positive note, we have a very good basketball schedule and are expecting big crowds. This may give concessions a boost in the winter. Financials for this year \$30,000 vs. \$37,000 last year.

Joe is retiring after this year. Leisa Frooman has recommended that concession duties should be managed by a committee made up of members from soccer, football, volleyball, swimming and basketball. Joe would be willing to guide the committee next year.

Joe thanked Bob Jansen for doing such an incredible job. The football season went off without a hitch.

### **New Business:**

**Spartanrama:** Spartanrama will be held March 17<sup>th</sup> (St. Patrick's Day) at Receptions Eastgate. This is the largest fundraiser we have (besides concessions) and benefits all student athletes. The night of the event is also the 2<sup>nd</sup> round NCAA tournament but the games will be ON! Ticket prices are \$50 individual or \$600 for a reserved table. The menu will be light appetizers, buffet dinner, light deserts with coney's and pizza being served later while watching the game! Don Wegman will be the DJ for the evening providing great music and coordinating the night. We will have raffles, games and of course the silent and live auctions. Let's not forget it is St. Patrick's Day, so we are hoping for green beer and Irish coffee.

### **Old Business:**

#### **Wine Tasting:** (Linda Croop)

The Wine and Beer Tasting event was fabulous. Thank you to all who came and to those that helped. The goal was to do something different and have fun. On top of that we made over \$1,000. The venue was amazing and the vendor worked out well. Discussions as to what can be done to make it a more profitable event next year. Leisa thanked Linda and Pam for taking on such a huge event. A little product is left over, see Linda if you are interested in buying any.

Boys and girls cross country will have a spring Euchre fundraiser.

Web training will be Monday November 21 @ 7pm in the Booster room. Please have someone from each winter sport attend.

Dr. Jackson is interested in meeting with different organizations and would like to attend one of our meetings. Leisa is going to invite him to come in December since it is historically a shorter meeting.

John Aldrich needs 50 photos from all fall sports teams, and last year's spring teams, for the Spartanrama video. Please send to John on a flash drive within the next 2 weeks.

Please visit the Forest Hills web site and take the PCN survey.
