

Booster Meeting December 12, 2011

Minute Meetings

7:08pm Leisa Frooman opens meeting

Meeting with Dr. Jackson regarding district finances and the need for a 3.9 mill operating levy in March 2012

An attendance sheet is circulated at each meeting. If the sheet does not get passed to you, please make sure and stop by Leisa's desk to sign it before you leave.

Attendance: Leisa Frooman, Sue Wyborski, Tim Pennington, Steve Kiracofe, Michael Persicano, Linda Croop, Mark Heggem, Kathleen Stocker, Connie Sprunk, Kim Ewan & Michele Lammert

Approval of minutes and seconded

Sports Team Reports – sent via email

Swimming: (Jennie Johnson) We had our first meet Thursday, December 1st, against Lakota East and West. The girls won against Lakota E and W and Boys were second. We were missing some of our swimmers due to some of our club swimmers having their last club meet that was out of town that weekend. Our next meet is this Saturday, December 17th, at home against Kings. We will have our whole team together for this meet.

Bowling: (Sue Wyborski) Girls Bowling is off to a tremendous start - they are 6-0 overall, 4-0 in FAVC matches. Boy's bowling has mostly 1st-year bowlers and are 0-6, but their team spirit is good! Both teams participated in the Holiday Classic tournament this weekend.

Gymnastics: (Leslie Olsson) The gymnastics team had their 1st meet on Tuesday Dec. 6 at Cincinnati Country Day. The girls came in 3rd overall. They had a higher score this year than last year at this same meet. Dora Gudmundsdottir, our foreign exchange student from Iceland, came in 3rd overall. We had some strong scores in the floor routines Dora came in 3rd on the floor with a score of 8.85, sophomore Julianne Haney had a high score of 8.40, and Junior Shelby Olsson scored an 8.0. Dora also came in 6th on the bars with a score of 7.40.

The girls have the first and only home meet of the season The Snowflake Invitational this Sat. December 17. This is a huge meet for Turpin with 13 teams competing and the girls are very excited. Our Turpin gym will turn into a gymnastics floor on Friday night if anyone wants to come and help with the transformation it will begin at 4:30pm Friday. Please come and watch the girls on Sat. beginning at 10:30am.

Committee Reports

Treasurer: (Mark Heggem) Mark reports that all in all net income is up over last year. Our annual donations are up \$5,700 over last year. Spartanrama donations are up \$10,000 over last year. Anderson Wine & Beer Tasting event yielded over \$1,900 in profits. All are very good changes.

Kudos to Mark Jankowski, Kim Calder, Joe Tiller, Pam Sears and Linda Croop for all their revenue generation.

*****Again, Mark is unable to reconcile the past months bank statement due to 8 deposits with no indications as to what they are for. Please follow the instructions from your sports rep folders as to how to make a deposit. Please write in the memo line what team is making the deposit and then email Mark with the amount, the team and the reason for the deposit.**

There was also a discussion regarding invoices for teams. If you have an outstanding invoice from a purchase for your team that Mark will be paying, please send these to him promptly.

New Business:

Spartanrama: Still looking for team donations and also in need of live auction items.

John Aldrich is still looking for 50 photos from all fall sports teams, and last year's spring teams, for the Spartanrama video. Tim Pennington sent out an email with instructions on how to easily download photos. They can also be saved on a flash drive and given to John. Please take care of this immediately.

Old Business:

Wine Tasting: (Linda Croop) This event ended up yielding over \$1,900. Next year looking for a team to run this event as their contribution to Spartanrama. This year's event was a learning experience, next year it can be more profitable if items are expensed differently. Profit should not be focused on selling alcohol.

New Business:

Turpinnation.com website: Tim Pennington is cancelling the domain and this will save boosters \$12.50 a month.

Next Meeting: Monday January 9, 2012

Move to Adjourn and seconded 8:23pm

Respectfully submitted,

Michele Lammert
