

Turpin Varsity Football

Video Information & Order Form

For the 2015 Season, the Turpin Parents' Club is thrilled to partner with [Cincy Recruits](#) to record each Varsity game of regular (and post) season play. [Cincy Recruits](#) offered the best quality product and services at an aggressive price. Further, we appreciated that Bill and his team share strong ties to Anderson Township and our Turpin Athletic community.

These superior quality, high definition videos are a great resource for college recruits. And, best of all, they are fantastic, long-term, mementos of the commitment and effort of our varsity players. Each game will be edited to remove downtime and time outs. Further, each game will include post-production edits to include ESPN-style game stats. Examples of the video quality and types can be viewed on the links below. *(If you need an email version of this form to view, contact Kelley.Scoble@cengage.com)*

We hope you'll take advantage of this great offer so you and your son can enjoy the community and excitement on Friday nights this fall, with the confidence that you are not missing a single play or highlight of the action on the field.
